

Respected Members,

It has been my proud privilege to be of service to the eminent Advocates, chartered accountants and tax practitioners that adorn the Faridabad Income Tax Bar Association.

It is an honor to serve as the president of the Faridabad Income Tax Bar Association 2023-2024.. Preceding me are some of the most dedicated attorneys whose relationships in the community and willingness to work hard have always been on the table for the advancement of this organization and perpetuation of its educational and collegial purpose.

We, in the Executive Committee, have tried our best to maintain cordial relations between the Bench and the Bar and at the same time flag issues and proffer suggestions for improvement from time to time.

One thing is certain; there is only room for optimism where there is continued involvement from all of our members and sponsors. Our installation dinner was truly spectacular in this regard and for that I thank all who came, contributed and made it so. If we keep in mind that what we give is given back in multiples, I have every expectation that this year will be fruitful for so many on multiple levels. Thank you for this opportunity to serve.

I would earnestly request you to tender suggestions and actively participate in making the website replete with latest information, important case laws and illuminating articles.

With best regards,

ADV. SHASHI KANT SINGH

President
